Dear Mrs. Mary Paul Ndungu,

I acknowledge, with sincere thanks, receipt of your letter of 22nd September 1994 requesting blessing over your apostolate of the Living Rosary Association in Kenya.

You will be perhaps encouraged to know that such sincere, heartfelt apostolates are ever daily in my apostolic prayers that the Holy Spirit whose mission is to make us - all of us - redeemed by the Blood of the Son of God, may come to know the Father and the Son, through the working and sanctification of the same Holy Spirit. So take courage, Mrs. Mary Ndungu, continue on with your promising apostolate of the Living Rosary Association in our dear Country.

Since Reverend Father Rossi of the Consolata Catholic Church has been, at one time, the Spiritual Director to your Family, would you kindly ask him to write to me about the apostolate of the Living Rosary in Kenya.

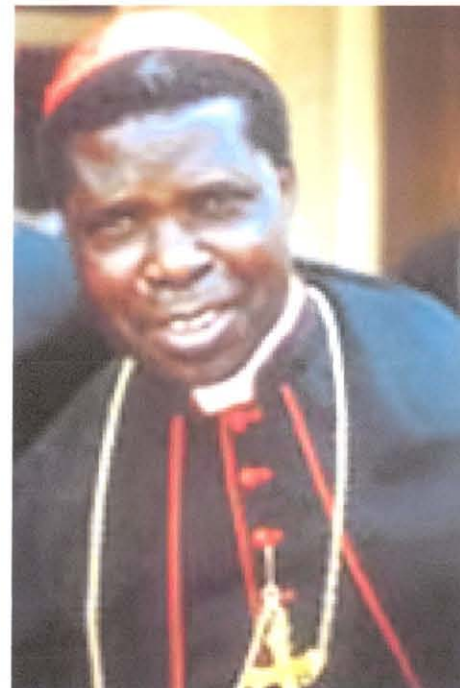

And, pray for me. You and all of your Family, dead and alive, are remembered daily in my prayers especially at the Altar of the Lord.

With God's blessings,

Yours sincerely in Jesus, the Christ Crucified, Lord of history,

Maurice Michael Cardinal Otunga
